2013 Dialogue for Action Expands Its Focus

# Dialogue for Action on Cancer Screening: Hitting the Targets

Join us on March 21-22, 2013  
Renaissance Baltimore Harborplace Hotel

**Be part of** a conference focused on guidelines driven cancer screenings seen in quality care (colorectal, breast and cervical).

In addition, hear timely presentations that cover screening issues for other cancers including prostate, lung and skin.

**Explore** topics including innovations for increasing cancer screening rates, changes in primary care and the impact of health care policy on cancer screening.

**Network** with diverse cancer screening stakeholders.

**Dialogue** with distinguished speakers.

**Engage** in a lively format with cutting-edge presentations, activities that stimulate dynamic exchange of ideas and opportunities for collaboration.
